

My Journey

My Core Disciplines

UX Strategy
UX Research
Information Architecture
Conversational Design
Interaction Design
Visual Design

Growth Disciplines

Data Visualization
Generative AI
Human Factors Research
Localization
Metrics + ROI
Quantitative Research
System Design
UX Writing

Industries of Interest

Agriculture
Aerospace + Aviation
Automotive / Mobility
Bio, Life + Medical Science
Construction
Conversational Design
Digital Tools with
Analog Components

Education + Learning Theory
Emergent Tech
(AI, AR, Drones, Gaming, Robotics, VR)
Energy + Renewables
International / Globally Distributed Teams
Language + Translation
Medical Care, Devices + Technology
Transportation + Logistics
